

2018 Autocross Events

WHEN? *Practice I*, Saturday, **May 12**
IROC Competition, Saturday, **June 9**
Practice II, Saturday, **July 28**

WHERE? **Spartan Speedway**, 779 N. College Road, Mason, MI

TIME? **9 a.m.** to approximately 4:00 p.m.

Here's a chance to find out what your Porsche will do on a twisty, relatively low-speed course laid out on the banked oval and infield crossovers at the speedway. After the course is set up, prepared, and walked-through, cars will be technically inspected. Electronic equipment is used to time each run. Helmets are required and are provided if needed. Cars usually begin running around 10:30. Come early to register because the limit on cars running is 25.

The practice sessions are just for fun and to hone your skills. The IROC (International Race of Champions) autocross on June 9 is the first event in a three-region competition; times will be recorded and prizes given for the fastest times. If heavy rain or thunderstorms cause cancellation, rain dates are set for May 19, June 23, and August 4.
